

Tanya Chowdhury

413-230-7861 | tchowdhury@cs.umass.edu

EDUCATION

University of Massachusetts, Amherst	4.0/4.0
<i>Ph.D. in Computer Science</i>	<i>May 2026 (expected)</i>
University of Massachusetts, Amherst	4.0/4.0
<i>MS in Computer Science</i>	<i>September 2023</i>
IIIT -Delhi	9.31/10
<i>B.Tech in Computer Science and Engineering (with Honours)</i>	<i>2018</i>

RESEARCH INTERESTS

Mechanistic Interpretability, Scientific Discovery, Computational Biology, Information Retrieval

EXPERIENCE

Data Science Intern	May 2025 – Aug 2025
<i>Bristol Myers Squibb</i>	<i>Lawrenceville, NJ / Remote</i>
<ul style="list-style-type: none">Designed and implemented an agentic framework to address complex clinical trial queries by integrating advanced reasoning techniques.Benchmarked multiple LLMs to evaluate cost-time-accuracy tradeoffs across RAG, chain-of-thought, and hierarchical decomposition tasks using both the LangChain framework and a custom recursive reasoning pipeline.	
AI Research Intern	June. 2022 – October. 2022
<i>Genentech</i>	<i>South San Francisco/Remote</i>
<ul style="list-style-type: none">Worked within the Early Clinical Discovery organization towards developing specialized feature attribution methods for domain knowledge infused feed forward and graph neural networks.Validated attributions axiomatically as well as experimentally against known literature, for genes linked to Prostrate cancer discovery.	
Software Engineer	July 2018 – July 2019
<i>Myntra Designs</i>	<i>Bengaluru, India</i>
<ul style="list-style-type: none">Worked on improving user intent understanding in ambiguous search queries. Implemented architectures to enable content AB testing to improve conversion.Built grpc services and apache-storm topologies. Used Solr and Elastic Search enterprise search engine.	
Research Intern	Dec 2017 – May 2018
<i>Indian Space Research Organisation</i>	<i>Hyderabad, India</i>
<ul style="list-style-type: none">Improved classification from multi-resolution Panchromatic & Multi-spectral payloads using spectral and textural features. Used self organizing maps on five channels to map data into Water, Land, Cultivation,Habitat etc.	
Software Engineering Intern	May. 2017 – August. 2017
<i>Google</i>	<i>Bengaluru, India</i>
<ul style="list-style-type: none">Built a Topically bundled view of Gmail and Inbox, to coexist with the existing date-wise sorted view. Experimented with different feature selections and clustering methods to determine best way to bundle mails into topically related clusters.Based on the clusters, recommended users to take bundle level collective action such as : Mark as Read, Move to Spam, Assign a label, filter etc.

TEACHING AND TEACHING ASSISSTANT EXPERIENCE

CS220 Programming Methodology

Responsible for curating and conducting discussion sessions, holding office hours and grading UMass Amherst
Sep. 2020 – Dec. 2020

CS145 Representing, Storing, and Retrieving Information

Responsible for holding office hours and grading UMass Amherst
Jan. 2020 – May 2020

MTH 310 Graph Theory

Responsible for conducting weekly discussion sessions, hosting quizzes and grading IIIT-Delhi
Jan. 2018 – May. 2018

CSE 121 Discrete Mathematics

Head TA, responsible for curating homeworks and exams, supervising grading. IIIT-Delhi
Aug. 2017 – Dec. 2017

PROGRAM COMMITTEE & REVIEWING

1. ICLR 2026, 2025
2. NeurIPS 2025

3. ACL Rolling Review (February 2025)
4. SIGIR 2025
5. WSDM 2025
6. CIKM 2025
7. NeurIPS Mechanistic Interpretability Workshop 2025
8. WExIR Workshop at SIGIR 2025

ACHIEVEMENTS

1. Talk at IIT Delhi LCS2 reading group.
2. Talk at Microsoft Research India IR reading group.
3. Recipient of the Anuradha and Hanuma Kodavalla Graduate Scholarship in Computer Science.
4. Recipient of UMass Amherst Manning college thesis fellowship for Fall'24.
5. Selected for 2021 CRA-WP Grad Cohort Event.
6. Member of Dean's list for academic excellence at IIIT-Delhi for 3 academic years.
7. Received the TA award for Discrete Mathematics: usually conferred only to PhD students in IIIT-Delhi.
8. Recipient Invite and Travel grant, Google I/O 2017.
9. Received full scholarship from CBSE to pursue undergrad study in pure maths or science streams.
10. State Rank 2 (Gujarat) in Indian National Mathematics Olympiad (INMO) 2014 amongst 12th grade students.
